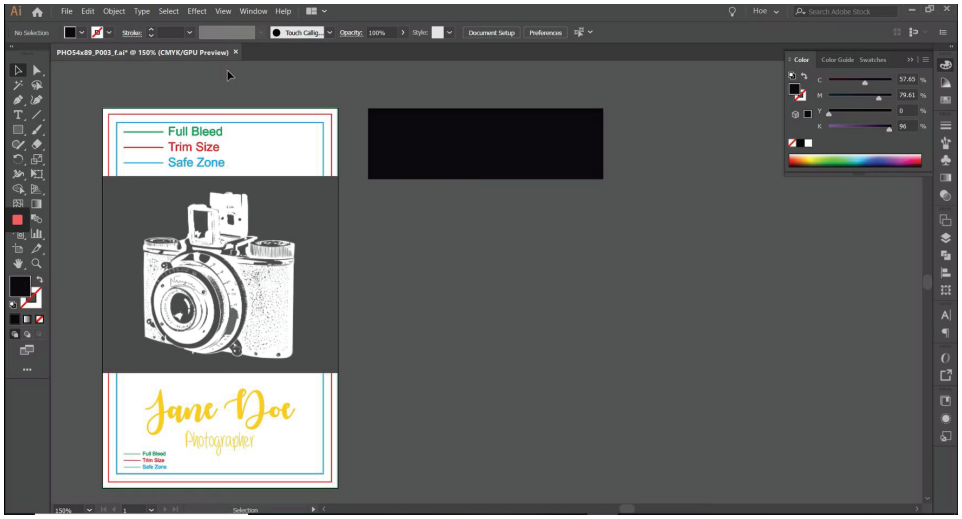
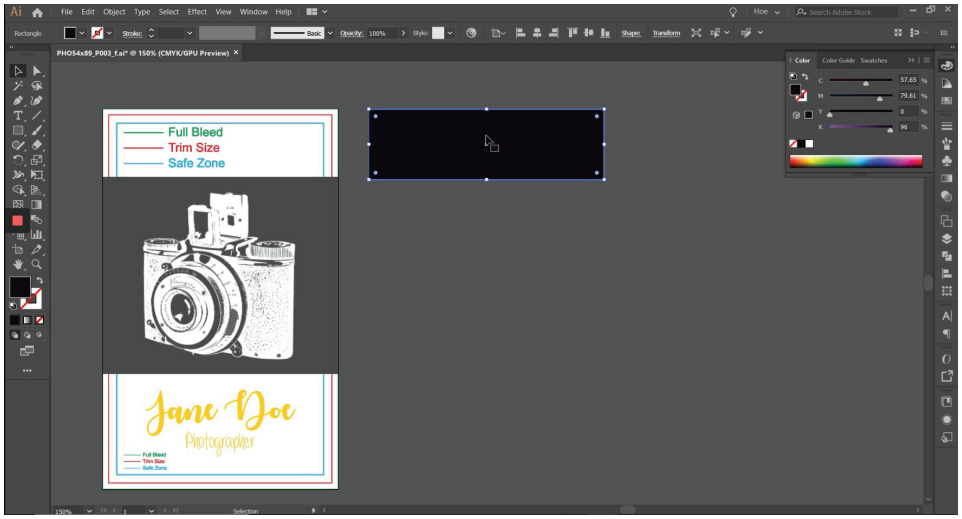
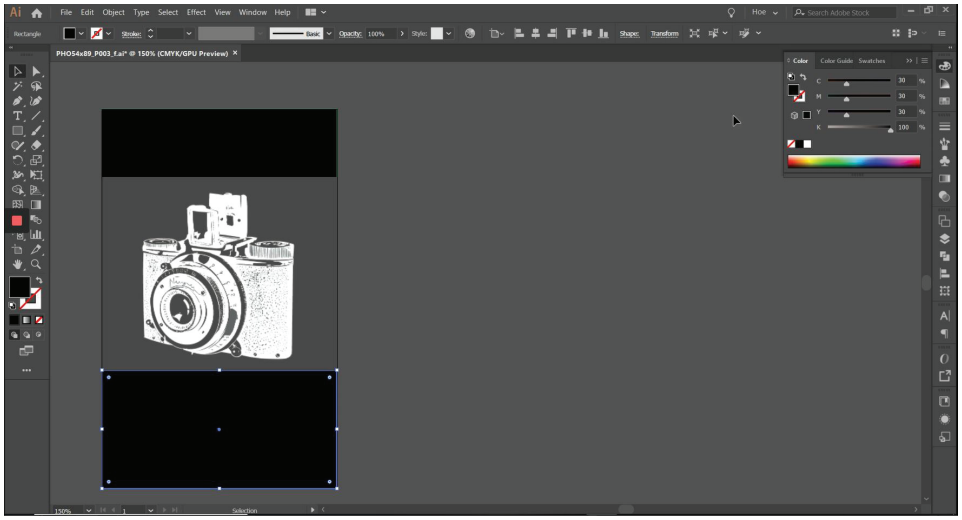
Step 1 : Artwork contained text descriptions and guide lines.



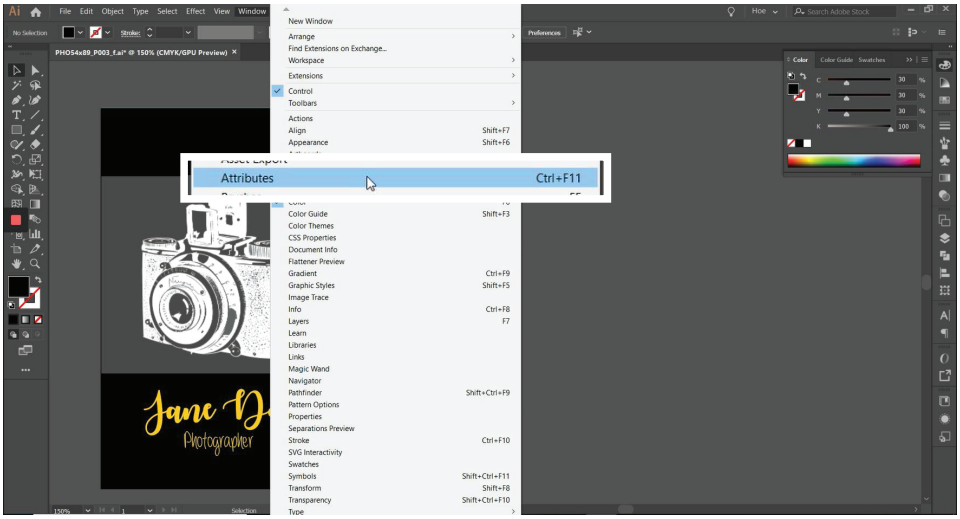
Step 2 : Draw a rectangle on top to cover the text descriptions and guide lines.



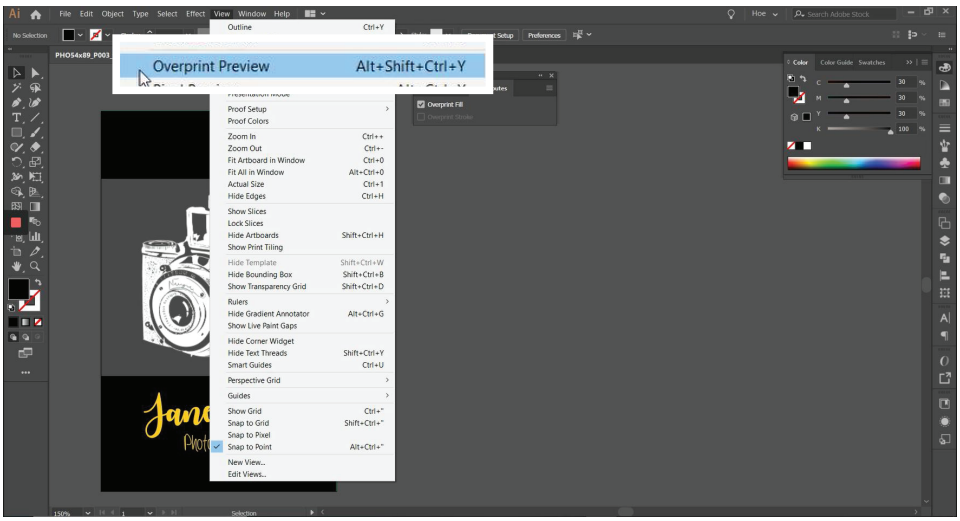
Step 3 : Top rectangle fill in K100; bottom rectangle fill in C:30, M:30, Y:30, K:100.

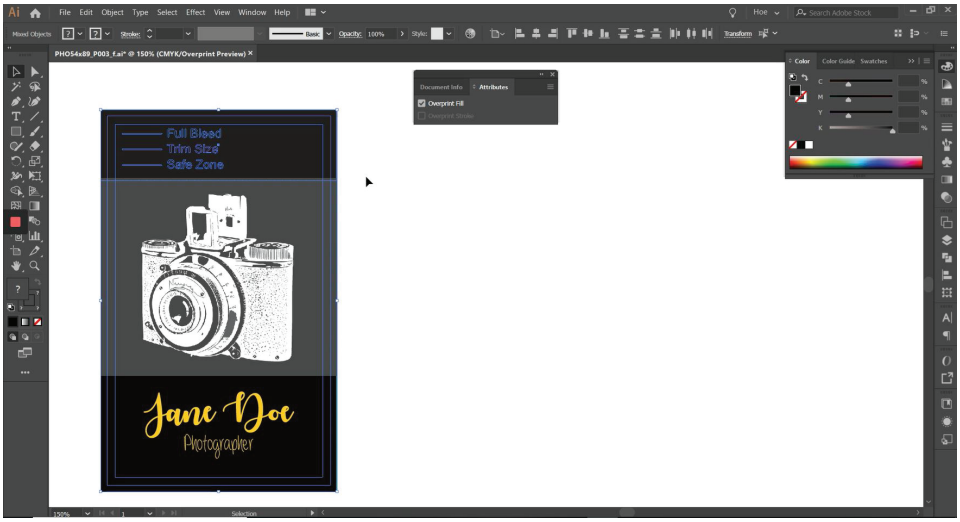


Step 4 : Go to Window > Attributes > Overprint Fill.



Step 5 : Go to View > Overprint Preview





Step 6 : You will found the top rectangle is become transparent, the text descriptions and guide lines appeared. Bottom rectangle no changes cause it is CMYK black.
